

CONICA LARCH (TAMARACK)

Larix russica 'Conica'

Height: 25' **Spread:** 10'

Location: Zone 3, full sun.

Shape: Upright, narrow.

Foliage: Light green, good fall color.

Notes: Upright-narrow, light-green spire. Nearly horizontal branches sweep up at the tips. Extremely hardy with good seasonal color; a nice contrast with darker evergreens.
