

AUSTRIAN PINE

Pinus nigra

Height: 50-60' **Spread:** 30-40'

Location: Zone 4, full sun, tolerates harsh conditions

Shape: Upright, broadly pyramidal

Foliage: Long, shiny, dark green needles

Notes: Darkest green of all the pines. Heavy, long needle with strong pine fragrance. Vigorous, dense grower. Tolerates heat, cold, and adverse conditions. Very hardy, withstanding clay and alkaline soils. Good for wind-breaks.
