

COLUMNAR MUGHO PINE

Pinus mugho 'columnaris'

Height: 8-10' **Spread:** 2-3'

Location: Zone 3, sun

Shape: Compact, columnar

Foliage: Dark green needles

Notes: Conspicuous, white, waxy buds shine amongst rich-green needles on this narrow upright mugho. The compact columnar habit and reliable production of small ornamental cones makes 'Columnaris' advantageous for narrow garden spaces and a must for any garden enthusiast.
