

# VANDERWOLF'S PYRAMID LIMBER PINE

*Pinus flexilis 'Vanderwolf's Pyramid'*

**Height:** 20-25'      **Spread:** 10-15'

**Location:** Zone 2, full sun

**Shape:** Pyramidal

**Foliage:** Twisted, silvery blue-green

**Notes:** Distinctive, pyramid shaped pine with long, twisted, silvery, blue-green needles displayed on dense branches. A superior selection for lawn specimen, accent tree or windbreak. Resistant to insects and disease.
