

# BRUNS SERBIAN SPRUCE

*Picea omorika* 'Bruns'

**Height:** 20-30'                      **Spread:** 8-15'

**Location:** Zone 4, sun, moist, well-drained soil.

**Shape:** Upright pyramidal, drooping branches.

**Foliage:** Green with gray undersides.

**Notes:** Semi weeping spruce that works well in tight spaces. Best in a deep rich soil, moist and well-drained.
