

# HURON DOGWOOD

*Cornus racemosa 'Hurzam'*

**Height:** 3-4'      **Spread:** 3-4'

**Location:** Zone 3, sun to part shade.

**Shape:** Dense, compact globe

**Foliage:** Green, burgundy in the fall

**Notes:** Naturally forms almost a perfect globe. Dark green foliage highlighted by white bloom clusters and luminous white fruit. Deep burgundy fall color. Grows in full sun or shade, widely adaptable to tough landscape sites. Salt tolerant, pest & disease resistant.
