

PINKY WINKY HYDRANGEA

Hydrangea paniculata 'DVPpinky'

Height: 6-8' **Spread:** 6-8'

Location: Zone 3, sun to part shade.

Shape: Rounded, upright

Foliage: Green

Notes: Pinky Winky has beautiful blooms that are bicolor, white darkening to pink that are not affected by pH levels. Flowers are huge in size and cover the plant completely. In fall, the blooms often turn reddish-purple in color. This hydrangea thrives in good, loamy soil, but is adaptable to a wide variety of soil types and does well in urban areas.
