

SHIBORI SPIREA

Spiraea japonica 'Shiboria'

Height: 2-3' **Spread:** 3-4'

Location: Zone 3, sun to part shade

Shape: Upright, rounded

Foliage: Bluish green

Notes: Small deciduous shrub having bright green leaves on slender stems. From red buds white and deep pink bloom clusters cover this dwarf, dense, mounded plant in summer. Wonderful for border accent, specimen or low hedges.

SNOWMOUND SPIREA

Spiraea nipponica 'Snowmound'

Height: 3-5' **Spread:** 3-5'

Location: Zone 4, sun

Shape: Rounded, upright

Foliage: Dense, dark green to blue-green

Notes: Compact mounded shrub with graceful, spreading arching branches displays a profusion of small clusters of white flowers. Use in a border or as an accent.
