

# CARNIVAL WEIGELA

*Weigela florida* 'Carnival'

**Height:** 4-5'

**Spread:** 3-5'

**Location:** Zone 4, sun

**Shape:** Rounded

**Foliage:** Green

**Notes:** Compact, mounding shrub displays a combination of pale pink, white and dark pink flowers all at once from early spring through summer. Useful in a background planting, flowering screen or in shrub borders.

# MIDNIGHT WINE WEIGELA

*Weigela florida* 'Elvera'

**Height:** 18-24"

**Spread:** 24"

**Location:** Zone 4, sun

**Shape:** Low mounded

**Foliage:** Burgundy purple all season

**Notes:** Truly one of the smallest Weigelas we've seen ever. Midnight Wine is a low, mounding plant with incredible metallic burgundy-purple foliage which really shows off the deep pink flowers. Mix it in the perennial garden, or place it at the front of the foundation to really show it off!
