

# FALLGOLD ASH

*Fraxinus nigra* 'Fallgold'

**Height:** 40-50'                      **Spread:** 20-25'

**Location:** Zone 2, sun to part shade, adaptable

**Shape:** Upright branching, oval crown

**Foliage:** Green, gold in fall

**Notes:** A hardy, fast growing tree suited to a wide range of soil conditions. This seedless Ash offers a bright golden-yellow fall color that lasts through the entire season.
