

ROYALTY CRABAPPLE

Malus 'Royalty'

Height: 20' **Spread:** 20'

Location: Zone 3, sun

Shape: Upright, rounded crown

Foliage: Red turning purple, orange in fall

Notes: Dark red flowers and dark red fruit. A good purple foliage flowering crab. Outstanding, crimson flowers, reddish-purple fruit. The waxy leaves have a high sheen over the beautiful, reddish-purple color. Fall color is orange.
