

# ANN MAGNOLIA

*Magnolia x 'Ann'*

**Height:** 8-10'      **Spread:** 10'

**Location:** Zone 4, sun, rich, moist, well-drained soil.

**Shape:** Upright

**Foliage:** Medium green, yellow in fall.

**Notes:** It forms a shrubby mound and has leathery green foliage. 'Ann' develops a somewhat open habit with lightly scented reddish-purple flowers that emerge from beautiful, tapered buds.
